Draft To: Vignan's Institute of Engineering For Women <viewplacements@gmail.com>

Dear Dr.M.Nagendrababu,

I am extremely honored to agree to your invitation to speak at the seminar to be held at your institute. I am so happy that I was chosen for this occasion.

I have opted to speak about "Higher Education Awareness Program". I have been doing a lot of research lately in this regard and would like to present my findings at the seminar.

I shall be carrying some data on the laptop, so I will need some arrangements to connect this to the projector screen. I know that the audience will be of a type who has a lot of interest in the subject and will be happy to interact with them. Will it be possible to have an interaction session following the presentation?

Thank you for making the necessary arrangements beforehand. I have already received the tickets and the details about hotel reservations. I wish to take once again up this chance to thank you. I very much look ahead to being present at the seminar and making my speech.

Truly,
Ms.P.Pushpa Latha,
Director.

Report on "An awareness program on Higher Education"

Resource Person: Ms.P.Puspha Latha,
Director , PVK Educational Consultants., Visakhapatnam
Date: 27-12-2019
Venue and Time: Seminar Hall, 10.30 AM to 12:30 PM
No.of Participants: 555 (IV B.Tech (all branches))

The department of Training & Placement organized an Awareness Program on Higher Education on 27-12-2019. Ms. P.Pushpalatha , PVK Educational consultants, created awareness and inspired students regarding the importance of Higher Education. The seminar was purely based on goals of a student after Engineering.

She has broadly classified as

- HIGHER EDUCATION
- PUBLIC SECTOR JOBS
- PRIVATE SECTOR JOBS

To get into any of these, GATE is very much essential. GATE is required for doing Masters ie, ME/M.Tech, M.S, Ph.D. For doing any research-oriented programs, GATE score is required. Singapore provides the best universities to study M.S in abroad for ECE students. GATE exam is conducted for total 100 marks. It consists of two parts. For ECE students' part -I is purely based on topics of Electronics and Communication and part -II consists of Mathematics and Aptitudes. GATE is conducted by IIT's. It is preferable to take the exams in 4th year of Engineering. There is no limit in attempting GATE exam. GATE score is required for public sector jobs also. Cut-off is 50%. Based on high score, there will no technical round instead there will be direct HR round. In Private sector also they prefer GATE qualified candidates. Recently AICTE is about to make GATE exam mandatory.

There are many indirect advantages of GATE:

- It helps to clear exams conducted by other PSU companies and other central government companies.
- It helps for preliminary exam preparation of IES, etc.

Aiming for IIT's or public sector jobs are best. Product base companies are best than service-based companies. Overall the session was inspiring, and students will be benefitted from this seminar.

Dear Dr.M.Nagendrababu,

I am extremely honored to agree to your invitation to speak at the seminar to be held at your college i.e. VIGNAN'S INSTITUTE OF ENGINEERING FOR WOMEN. I am so happy that I was chosen for this occasion.

I shall be carrying some data on the laptop, so I will need some arrangements to connect this to the projector screen. I know that the audience will be of a type who has a lot of interest in the subject and will be happy to interact with them. Will it be possible to have an interaction session following the presentation?

Thank you for making the necessary arrangements beforehand. I wish to take once again up this chance to thank you. I very much look ahead to being present at the seminar and making my speech.

Thanking You,
Mr.D.Vijay Sastry,
Consulting Partner.
