Activities of Training & Placement Cell

Training and Placement Cell is providing exhaustive tailor made training programs and conducts on-campus and off campus placement drives to place the students in global IT-Non IT service companies. In this regard, it organises various training activities Certification Training, Soft Skills, Campus Recruitment Training (CRT), GATE, etc and organising placement activities & internship program.

Soft Skills Training

Soft skills are given utmost priority in any business context and these skills are becoming truly significant for business growth and career development of job aspirants. In *this* respect, we train and encourage our young aspiring students to become professionals with dynamic leadership qualities and managerial skills. The training ensures development of skills such as team skills, decision making, problem solving skills, dynamic leadership skills, group discussions and entrepreneur skills. The training provides holistic development of the students to see them as future dynamic managers.

Campus Recruitment Training (CRT)

This program is designed to aid candidates in their preparation for recruitment through Campus Drives or outside campuses. Students entering their final year of engineering studies or currently pursuing their final year can make use of this program to get trained to deliver their best in the selection processes of organizations such as TCS, Infosys, Wipro, Techmahindra, Virtusa, Accenture, HCL, L&T, Amazon etc.. The participants will be trained in the following areas:

1. Aptitude Tests (Verbal, Reasoning, Quantitative)
2. Technical Training (Circuit and Non Circuit Branches)
3. Group Discussion Process
4. Interview Process (Both HR & Technical Round)

On the whole, the goal of the Campus Recruitment Training programme (CRT) is to develop what is deemed as the KSA quotient i.e., Knowledge, Skills & Aptitude base of the second, third and fourth year students and enable them to face the multiphase selection process during campus interviews.

CRT is offered for students at various phases from second year B.Tech. T&P Cell of Vignan's Institute of Engineering for Women, has devised a comprehensive training module comprising sessions on building Quantitative, Reasoning and Verbal aptitude, Soft skills, and Technical training in C, C++, JAVA, special training for non-circuit branches students. The Training also includes regular and specific CRT.

Employability Skills Training

Employability Skills programme is a part of the regular academic calendar which is designed to train the Pre-final Year B.Tech students in technical and aptitude skills. The training is imparted by both in-house team and external faculty as well.

Regular and Summer CRT

In addition to the Employability Skills programme, students are trained intensively throughout the academic year and during summer break. The training aims to develop advance level Quantitative, Aptitude, Verbal, Technical and Soft Skills of the students and the training provides practical exposure to the students by attending mock tests, mock interviews and interactions with the industrial experts.

Company Specific CRT

In addition to the Summer CRT, the Cell conducts specific training for bright students to get placed in global firms which offers attractive pay package. The training is offered by the external experts from the reputed training agencies.
