INSTITUTE OF ENGINEERING FOR WOMEN

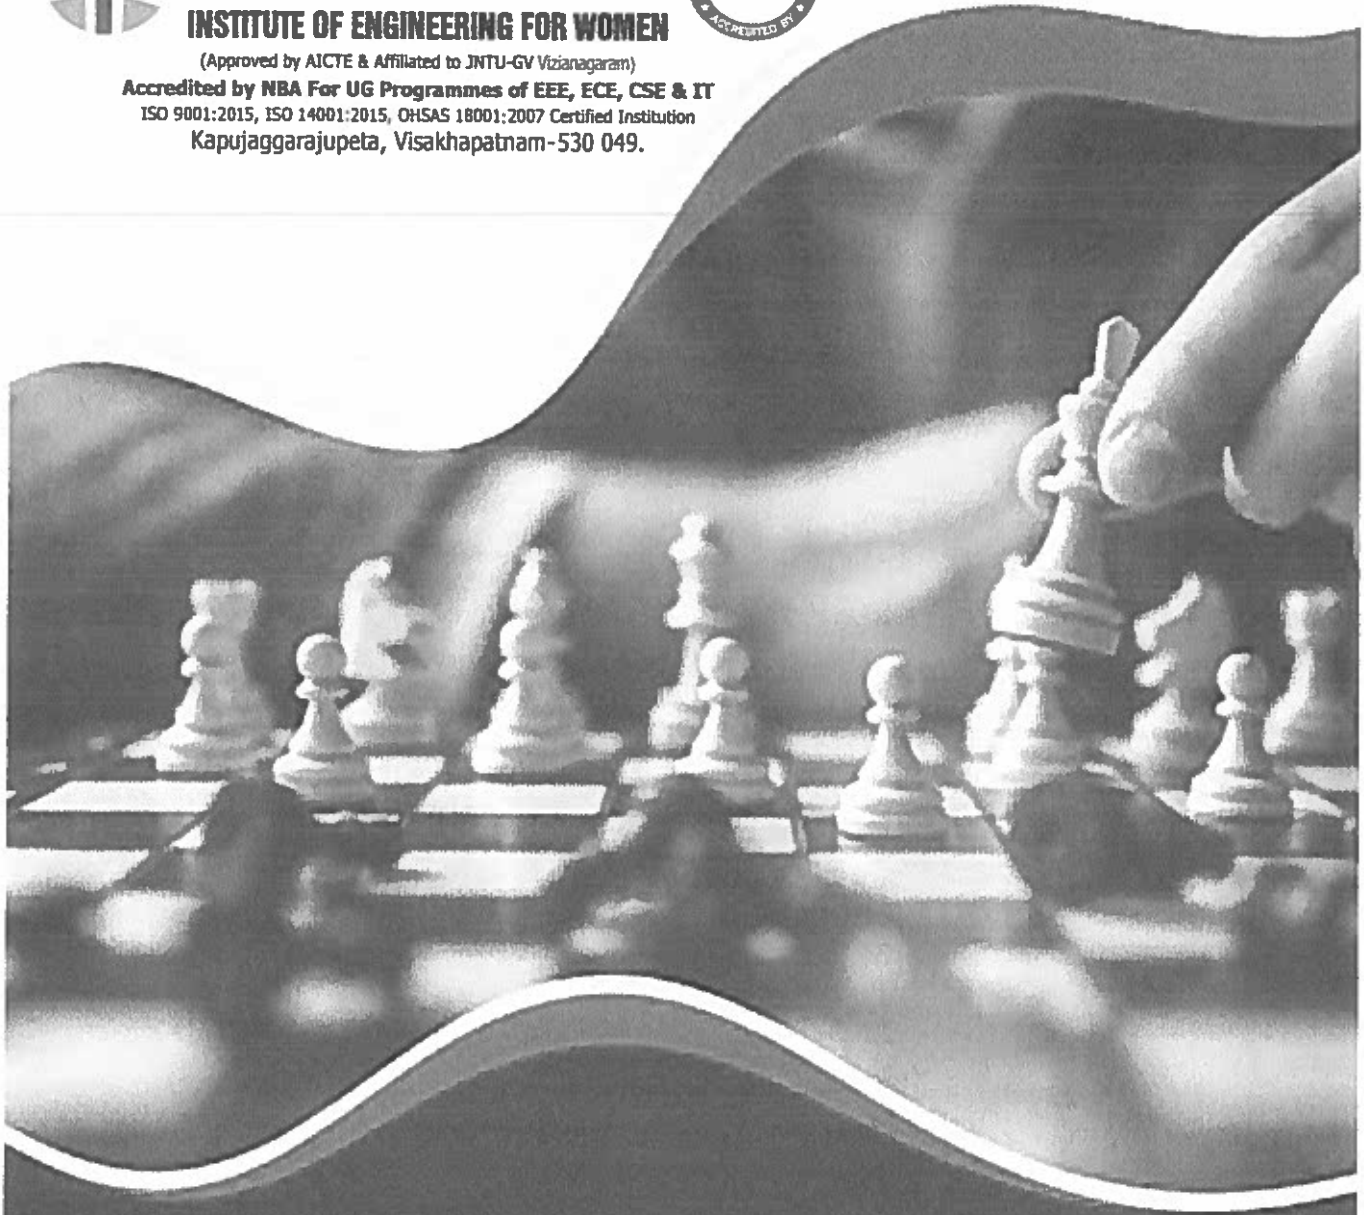

(Approved by AICTE & Affiliated to JNTU-GV Vizianagaram)

Accredited by NBA For UG Programmes of EEE, ECE, CSE & IT

ISO 9001:2015, ISO 14001:2015, OHSAS 18001:2007 Certified Institution

Kapujaggarajupeta, Visakhapatnam-530 049.

Training & Placement

Annual Report

2021-22

VISION

To be a leading institution of women empowerment producing internationally accepted professionals with psychological strength, emotional balance and ethical values.

MISSION

- To empower women engineers through innovative teaching learning practices.
- To encourage for higher education and research with well-equipped laboratories.
- To promote entrepreneurship through creativity and innovation.
- To promote environmental sustainability and inculcate ethical, emotional and social consciousness.

ULTIMATELY, VIGNAN PRODUCES

- Professionals accepted at **international level**
- Professionals with **psychological strength** and **emotional balance**
- Professionals imbued with **social consciousness** and **ethical values**
- Professionals ready to serve the **nation** with **human face**

LEVEL-4

- Widening **learning process**
- Watching the **world of work** closely
- Working on **live projects**
- Withstanding the pressure of the **competitive world**
- Walking into world of work with **confidence** and **pride**

LEVEL-3

- Raising their strengths in **academics** and nurturing **innate talents**
- Reinforcing on honing their **skills set**
- Ramming to emerging **technological practises**
- Readyng them to face **higher level challenges**

LEVEL-2

- Sowing the **seeds of success**
- Shapening their **technical knowledge**
- Sensitizing them to the **needs of society**
- Stimulating **research culture**

LEVEL-1

- Lending an ear to their **ambitions**
- Loading them with **right attitudes**
- Lighting in them the **fire of acheiving**
- Leading them to the **winning path**

START with

- Embarking into world of engineering with **excitement**
- Empowering with **fascinating** thoughts of college life
- Embracing the idea of **fun** and **entertainment**
- Enunciating an array of **ambitions**

MILESTONES IN PROVIDING WORLD CLASS PROFESSIONAL EDUCATION

Established with an intake of 300 and present intake of 765 with 5 UG and 5 PG Programs.

2008

2010

ISO 9001:2008; ISO 14001:2004; OHSAS 18001:2007 Certified Institution.

Established APSSDC CM's Skill Excellence Center & Consortium Member of IUCEE.

2015

2017

Confederation of Indian Industry(CII) Collaboration.

Indian Telecom Innovation Hub-TBI (ITIHTBI) Kochi Partner for E & D initiatives.

2018

2019

Proud institutional member of IE(I) & IETE. Govt.of India identified for Unnat Bharat Abhiyan.

Established Embedded & IoT Lab with the support of Texas Instruments.

2020

2021

Accredited by NBA For UG Programmes of EEE, ECE, CSE & IT. Ranked 'AAA' by Careers 360 Magazine. Institutional member of IEEE.

39th Rank for Green Institutional Rankings 2022 across India. ISO 9001:2015; ISO 14001:2015; ISO 45001:2018 Certified Institution.

2022

From the Chairman's Desk

The vision and mission of VIGNAN GROUP is to nurture the young and enthusiastic students into fully transformed citizens capable of reaching international heights by bringing glory to the nation and society. At VIEW this journey is enlivened by the efforts of dedicated faculty members and energetic students. Every student shall reap the benefits and utilize the facilities offered at the campuses on their path towards self-development. No stone is unturned in this pursuit of excellence. The track record over the years is a just manifestation of the endeavours undertaken across the VIGNAN campuses. My best wishes to the team VIEW and blessings to the successfully placed students.

Dr. L. Rathaiah

Chairman, Vignan Group

From the Vice Chairman's Desk

I am elated that Vignan's Institute of Engineering for Women is marching ahead with substantial growth rate and solid milestones. Any technical institution shall sustain and cement its future on the density and diversity of placements that it seeks to provide to its students. The human resource potential and the quality of infrastructure that is in place at the campus shall ensure a bright future to the blossoming engineers. It is heartening to note that the administration with the dynamic support from the students have been able to garner better number of placements in various organizations of repute during the current academic year. I wish this momentum shall continue towards greener pastures and greater heights of glory in future too. With Best Wishes!

Shri. L. Krishna Devarayulu

Vice Chairman, Vignan Group
M.P. Narasaraopet Constituency

From CEO's Desk

It has been thrilling to note that Vignan's Institute of Engineering for Women has crossed some significant milestones in its journey towards total academic sustenance and empowerment of women graduating engineers. The campus has clocked 1000+ placements to its outgoing batch. No doubt, it is a stupendous achievement by the Placement & Training Division of the institute. I am convinced that this achievement is complete and it is backed up solid leadership, planning, vision and execution. My hearty congratulations to the students and faculty for realizing their cherished dreams!

Mr. N. Srikant

CEO, Vignan Group

From Academic Director's Desk

I am much enthused at the marvellous efforts put up by the Training & Placement Cell of Vignan's Institute of Engineering for Women in finding the right placement for all the eligible students. Over the years the placement process is going on with some spectacular success stories recorded by our students. I wish this year the achievement of getting 1100+ placements is the result of such years' effort and energy. Wishing all the best to the team of faculty members and students!

Prof. Dr. A. Sesa Rao
Academic Director, VIEW

From Principal's Desk

No effort is wasted if it is done with complete conviction of self-less love and honesty. This eternal principle we recognized and realized in our full-hearted attempts to place our graduate engineers at several MNCs, Software organizations, Public Sector Companies and core sector. We have planned yearlong training activities in coding, relevant industry skills, communication skills, inter-personal skills, soft skills right from the first year onwards till they reach the interview door. This activity is round the clock monitored by our committed Training & Placement Cell. This year's tremendous performance of getting 1100+ campus placements to our students has been borne out of that practical vision and dream solidly backed up by go getter team of our institution. We are proud of the achievements of our students. This has enhanced our responsibility and we promise to beat our benchmarks.

Dr. J. Sudhakar
Principal, VIEW

Our Effective Placement Process

VIEW recognises that, in addition to APTITUDE, ATTITUDE plays a vital role in joining MNCs, hence, in addition to academics, a strong emphasis is placed on Industry Ready Programs.

- ✿ Internships
- ✿ In House Trainings on C, C++, Java, Python
- ✿ Behavioural Training Sessions
- ✿ Non-Technical Training Sessions
- ✿ Technical Training Sessions by Industry Experts

IN-HOUSE TRAINING: Each student should undergo

- ✿ 90 hours of technical training (Coding skills)
- ✿ 90 hours of non-technical training (Aptitude, Verbal and Interview skills)

OUTSOURCE TRAINING: Each student will be provided with

- ✿ 90 hours of technical training for service-based companies
- ✿ 90 hours of technical training for product-based companies
- ✿ 90 hours of non-technical training (Aptitude, Logical reasoning, and Verbal)
- ✿ 36 hours of Company Specific Training for each MNCs like Accenture, TCS, Wipro, Infosys and etc.
- ✿ 36 hours of Barclay's verbal training which covers Resume preparation, Group Discussion & SWOT analysis Mock Interview by AI based online tool.
- ✿ Technical and Programming skills Training sessions by APSSDC, APITA and other premier agencies.

INTERVIEW PROCESS

Expert sessions are conducted for Professional CV building and group Discussions.

FINAL INTERVIEW PREPARATION

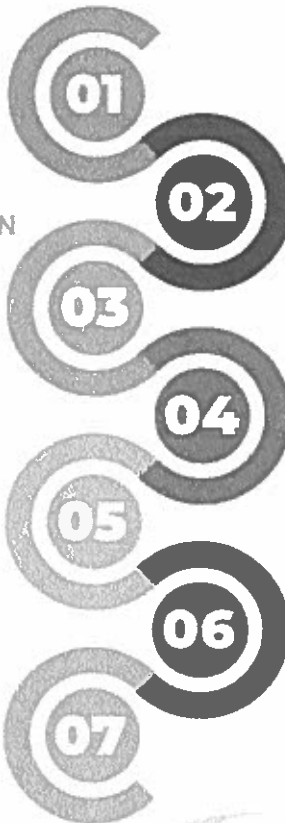

Mock processes are conducted to Prepare students for Aptitude tests, Group Discussions and Personal Interview. This also prepares them for their respective functional domains.

PRE- PLACEMENT TALK

Companies are encouraged to visit the Campus before the placement season begins for a pre-placement talk and introduce the job profiles of company to the Students.

OFFER LETTER & FINAL PROCEDURE

The Training & Placement cell also coordinates the signing of offer letters by students who have been selected to ensure their smooth transitions.

PREFERENCE & SELECTION

With different industries participating students submit a form showing their preference regarding industry, functional domain and locations which gets the right fitment for both employer and employee.

INTERNSHIPS

After understanding student's interest area, the placement cell visits companies to understand their hiring plans for the current year and also to discuss profiles, package and selection procedure.

INTERVIEW & FINAL SELECTION

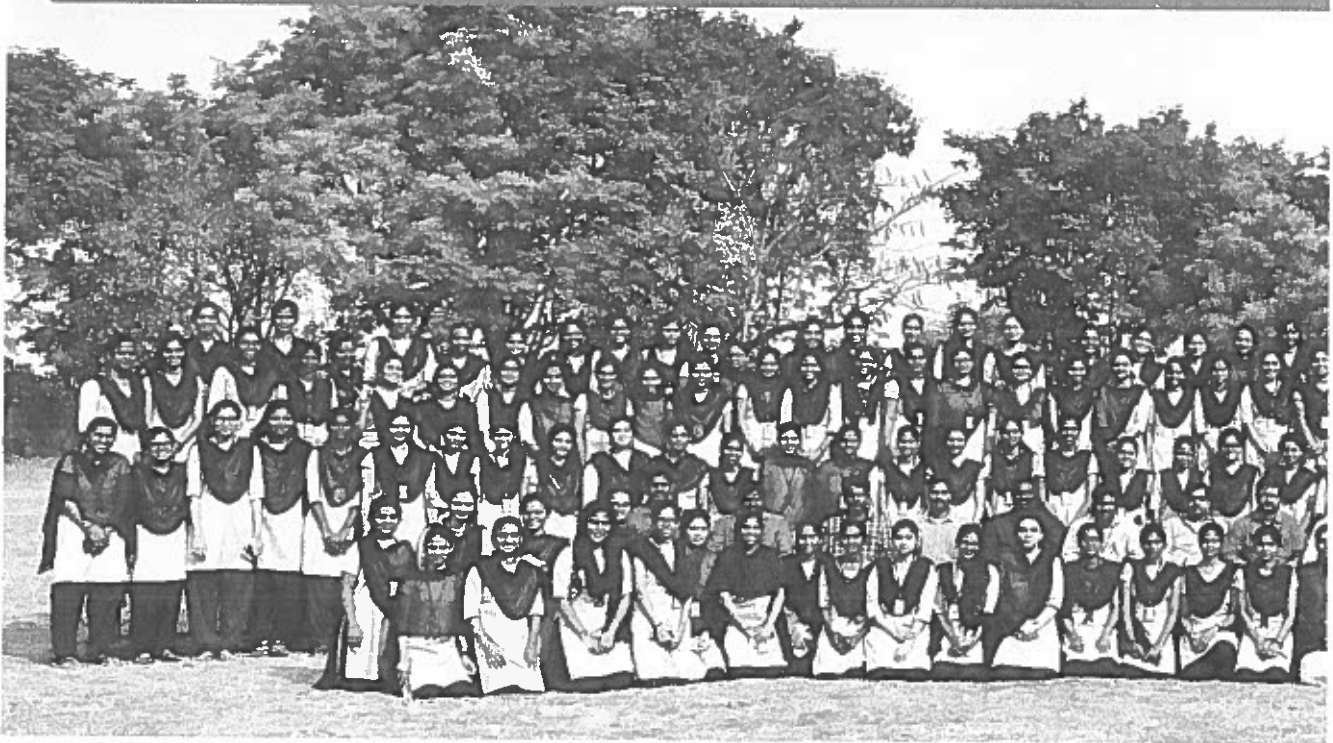

Companies visit the campus on the allotted date(s) and conduct test and /or Interviews according to their selection Procedure.

OPPORTUNITIES ARE NOT GIVEN,

VIEW Training and Placement Department enjoys a good rapport with industry and this facilitates maximum number of students to find jobs in top notch Product Development and Service Companies. The department offers career counselling by inviting Professional Trainers, HR Consultants and Industry Personal to keep students abreast of changing employment trends.

Training and Placement Cell

Academic Year 2021-2022

Vignan's Institute of Engineering for Women is the flagship institution of Vignan Group of Educational Institutions, Accredited by NBA. It is located in Kapujaggarajupeta VSEZ(Post) Visakhapatnam, with its sprawling play grounds, campus greenery and imposing academic blocks. is a virtual haven of rural quiet and idyllic beauty. Since its inception in 2008, the institution has been striving to promote high standards in technical education to aid in the career building of many students who step into its portals. Through diverse programs and updated curriculum by imparting industry exposure and hands-on skills, VIEW trains its students into competitive and global professionals, imbued with ethical consciousness and social awareness. All the departments are supported by a good mix of young and senior faculty with a rich research, teaching and industry background. The sophisticated laboratories and research centres make it one of the most preferred institutions for the aspirants of engineering studies.

About the Training and Placement Cell

Training & Placement Cell of Vignan's Institute of Engineering for Women has been, in the forefront of activities, bringing corporate close to the campus and encouraging them to establish facilities to cater to the needs of the students from the various backgrounds. It plays a pivotal role in counseling and guiding the students for their successful career, which is a crucial interface between the stages of completion of academic program of the students and their entry into the job market. The Training and Placement Cell always strives to reach the expectations of the stake holders' i.e. students, parents and employers who have strong affinity and trust in the institution. The institute has been maintaining consistent placement record of 85% year on year in top-notch core and service-based companies with handsome pay package.

Training and Placement is fully equipped with excellent human resources with hierarchy order and excellent infrastructure. The Cell has Head Training & Head Placement, Technical Trainer, and Asst. Placement Officer, internal faculty of Verbal, Soft Skills Trainers, Department Placement Coordinator.

In addition to the human resources the cell has well established with following infra structures:

- ❖ 5 placement cubicles with high speed internet with 150 Mbps online and offline drives
- ❖ One seminar hall with seating capacity of 300 and LCD projector and internet facility.
- ❖ A separate room to conduct Group Discussions
- ❖ Separate cabins for Head Placement Officer and Head Training, and remaining Team members.

Activities of Training & Placement Cell

Training and Placement Cell is providing exhaustive tailor made training programs and conducts on-campus and off campus placement drives to place the students in global IT-Non IT service companies. In this regard, it organises various training activities such as Business English Certification Training, Soft Skills, Campus Recruitment Training (CRT), GATE, etc and organising placement activities & internship program.

Soft Skills Training

Soft skills are given utmost priority in any business context and these skills are becoming truly significant for business growth and career development of job aspirants. In *this* respect, we train and encourage our young aspiring students to become professionals with dynamic leadership qualities and managerial skills. The training ensures development of skills such as team skills, decision making, problem solving skills, dynamic leadership skills, group discussions and entrepreneur skills. The training provides holistic development of the students to see them as future dynamic managers.

Campus Recruitment Training (CRT)

This program is designed to aid candidates in their preparation for recruitment through Campus Drives or outside campuses. Students entering their final year of engineering studies or currently pursuing their final year can make use of this program to get trained to deliver their best in the selection processes of organizations such as TCS, Infosys, Wipro, Techmahindra, Virtusa, Accenture, HCL, L&T, Amazon etc.. The participants will be trained in the following areas:

1. Aptitude Tests (Verbal, Reasoning, Quantitative)
2. Technical Training (Circuit and Non Circuit Branches)
3. Group Discussion Process
4. Interview Process (Both HR & Technical Round)

On the whole, the goal of the Campus Recruitment Training programme (CRT) is to develop what is deemed as the KSA quotient i.e., Knowledge, Skills & Aptitude base of the second, third and fourth year students and enable them to face the multiphase selection process during campus interviews.

CRT is offered for students at various phases from second year B.Tech. T&P Cell of Vignan's Institute of Engineering for Women, has devised a comprehensive training module comprising sessions on building Quantitative, Reasoning and Verbal aptitude, Soft skills, and Technical training in C, C++, JAVA, special training for non-circuit branches students. The Training also includes regular and specific CRT.

Employability Skills Training

Employability Skills programme is a part of the regular academic calendar which is designed to train the final Year B.Tech students in technical and aptitude skills. The training is imparted by both in-house team and external faculty as well.

Regular and Summer CRT

In addition to the Employability Skills programme, students are trained intensively throughout the academic year and during summer break. The training aims to develop advance level Quantitative, Aptitude, Verbal, Technical and Soft Skills of the students and the training provides practical exposure to the students by attending mock tests, mock interviews and interactions with the industrial experts.

Company Specific CRT

In addition to the Summer CRT, the Cell conducts specific training for bright students to get placed in global firms which offers attractive pay package. The training is offered by the external experts from the reputed training agencies.

The following are consolidated Training and Placement Activities conducted during the academic year 2021-2022:

S.No.	Year	Name of the Training	No of Students
1	2021-22	APEX Training Phase-1 (Non-Technical) for III B.Tech(all branches)	526
