* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

M_q is the qualifying marks for general category candidate in the paper

$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to $\bar{M}_t$

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Entry Term: Fall 2021
Lamar ID: L20541690
Lamar Electronic Account (LEA) User Name: SPALACHERLA
Major: Computer Science

Dear Sri Satya Abhigyna:

Congratulations on your acceptance as a graduate student at Lamar University. Please note your Lamar Student ID number, listed above. The student ID number assigned to you is not a United States social security number. It is used as an identification number at Lamar University only.

The Office of International Student Services will be sending you an email with instructions for submitting your financial statement and information about immigration requirements and regulations. If you reside outside the U.S., you must apply for a student visa to enter the U.S. After you submit your financial statement to the International Student Services Office, the appropriate immigration document (I-20 or DS-2019) will be sent to you. The email you receive from International Student Services will also include important information about orientation, registration and reporting dates. For questions about any of this information, please contact the Office of International Student Services at: international@lamar.edu.

Students who are admitted pending a bachelor's or master's degree must submit proof of their conferred degree during their first semester at Lamar University. Please send us an official college transcript with your degree conferred; students with degrees from international universities must submit an official, course-by-course evaluation with a GPA which lists the equivalent US degree conferred.

Should you have questions about your initial application, or need to change your major, biographical information or entry date, please contact us at: gradmissions@lamar.edu. You may always view your admission status at: www.lamar.edu/admissions-status.

Again, best wishes and congratulations!

Sincerely,
